# 1. GOLDCOVER professional deep embossing & stamping solution

## Customers:

copy shops & book binders

notebook producers & suppliers

digital printing houses & advertising agencies

## Goldcover

stamping machines for professionals

GOLDPRESS 5

- 2 tons pressure
- 100x200mm
- manual operation
- desktop

MASTERPRESS O2

- 5 tons pressure
- 200x200mm
- automatic foil feed
- table and pressure regulation
- manual operation

MASTERPRESS EMD

- 5 tons pressure
- A4
- automatic foil feed
- table and pressure regulation
- 2 button electrical operation

## 2. GOLDPRESS 5

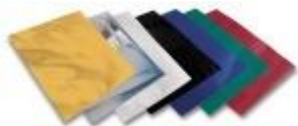

### A. List of accessories to stamp using fonts

---

**Fonts** are made of brass and offered in Master Sets in given language, shape (style) and size. Fonts are being installed on the stamping machine heater in Frames and Master Frame Holder GP5. Available sizes: 4 and 5,5mm include small and CAPITAL letters), 9mm include CAPITAL letters. Available shapes (styles) of fonts: latin standard, serif, *serif italic* or **blocks**.

Language versions: available under address <http://old.opus.pl/en/index/html/id:1707>

	<p><b>O.MASTER FRAME HOLDER GP5</b></p> <p>Master frame for custom matrixes or typeface font frames e.g. O.FRAME GP5.</p> <p>Master Frame is standard equipment of each Goldpress 5.</p>
	<p><b>O.Frame GP5 size</b></p> <p>Font frame installed in O.MASTER FRAME HOLDER GP5</p> <p>The frame is available for font sizes: 3,2mm. 4mm, 5,5mm or 9mm.</p> <p>There are available various combinations of frames, 2, 3 or 5 lines, please see below table.</p>
	<p><b>O. FONT CONTAINER</b></p> <p>Container to store fonts in sizes: 4mm; 5,5mm or 9mm</p>
	<p><b>O. NATIONAL FONT CONTAINER</b></p> <p>Container to store fonts in given language version and given font type in sizes: 4mm; 5,5mm or 9mm, e.g.</p> <p>O.Font National Container GB latin standard 5,5mm</p>

### O.FOIL QUICK & EASY

Special hot stamping foil for GOLDCOVER system. Offered in boxes pre-cut:13 x 21 cm (GoldPress 5), packing size: 200 pieces).

Available colour: silver, gold, white, black, blue, green, maroon.
