

## BOOKLET MAKER - SQ 320

### FOLDING AND STITCHING MACHINE WITH SQUARE BACK SYSTEM

Booklet maker for a professional and heavy duty use.

Can punch and fold up to **30 sheets (70gsm)**. It's exclusive feeding length of 61cm will lead to nice and squared **A4 landscape booklets**.

Up to 4 stapling heads can be installed (2 stapling heads are included in the machine).

Digital control panel will let you **set automatically the paper length** and square spine level (5 levels) making this machine user friendly and flexible for any kind of job. Standard staples or loop staples can be used (deactivate the square-back function in this case). Can be operated in manual or automatic mode.
